STUDENTS SATISFACTION SURVEY REPORT 2018-19

During the academic session 2018-19, a separate questionnaire was prepared by the IQAC to elicit information from the students. The questionnaire contained issues relating to syllabus, teaching-learning process, teachers approach, examination pattern as well as facilities regarding library, laboratory, toilet, drinking water facilities etc. More than 500 questionnaires were distributed among students through their respective Head of the Department.

Students have mentioned those syllabuses were covered during the session 2018-19 academic session. At the start of the session, teachers discussed the syllabi of the semester and covered the portion accordingly. The teaching and learning process according to the students was effective and teachers approach to teaching method was very good. Students also mentioned that the teachers discussed examination pattern very often and prepared them for the examination very well. Internal examinations were conducted very fairly and the evaluation processes were also very fair. They were also asked about the conduct of examination to which they said it was very good. They mentioned that the teachers identified their strength and weakness always and helped them to overcome their shortcomings.

According to most of the students vies the institution always encourage them to participate in extra curricular activities. They said that the conduct of games and sports in the college was very good. Most students expressed their opinion that the college should improve their soft skill and open opportunities for career developments. Further, they viewed that ICT facility inside the campus should be improved. Regarding laboratory facilities students said that it was very good. However, students expressed their opinion that library, drinking water and toilet facilities needs to be improved.

After receiving the feedback from the students, the IQAC and the Principal of the college organized a meeting on 2018-2019 of various support departments and analyzed about various issues mentioned by the students. In the meeting, it was decided that new books will be purchased for the students. Further, it was decided to open more drinking facility for the students. It was also decided to set up a computer point for the access to e-contents by the students from the next academics session.
